

FARM FRESH
FROZEN FOR YOU

Why use Alasko frozen produce in hospitality?

- Picked at the peak of ripeness, washed, and immediately quick frozen to preserve nutritional value and flavour.
- A wide variety of produce is always in season, and has a shelf life of 24 months.
- No peeling, washing, or chopping required - ready to use in your recipes, and produces less waste.

Featured Products

Fajita Mix #50906

6 x 2 kg

Red, green & yellow pepper strips, white onion strips.

Inspiration: Fajita bowls - just add grain, protein, and toppings.

Omelette mix #26100

10 x 1 kg

Diced onions, diced green & red peppers.

Inspiration: Omelettes, scrambles, and quiches.

Mirepoix #177

6 x 2 kg

Diced carrot, onion, & celery.

Inspiration: Classic base for soups, stews, or use in sautées and stir fries.

Preparation

For best results use products from frozen. Remove the desired amount and immediately return any unused product to the freezer. Do not refreeze if thawed.

Service coverage: We have a direct sales team available for support across Canada.

Product delivery coverage: We have two main warehouses in BC and Quebec that ship across Canada, and our products are available through all major broadline distributors.
